SKILLS

Languages: C++, Python, C, HTML, CSS, JavaScript
Tools/Platforms: Visual Studios, GFG, MySQL Workbench
Soft Skills: Problem-Solving, Team Player, Adaptability

PROJECTS

Artificial Rain Simulation | HTML, CSS, JavaScript

- Developed an interactive Artificial Rain Simulation using HTML, CSS, and JavaScript to visually demonstrate the concept of artificial rainfall.
- Implemented dynamic rain effects and user interaction using JavaScript and CSS animations.
- Designed a responsive and user-friendly interface to improve visual understanding of the simulation.
- Awarded a Prize at Lovely Professional University (LPU) for the project.

Cric Point - Cricket Stadium Analytics Web App | HTML, CSS, JavaScript

- Developed a web application providing stadium-specific cricket analytics, including ground dimensions, average scores, pitch characteristics, and batting/bowling conditions.
- Designed an interactive interface to help users analyze venue trends and match conditions for fantasy-cricket decision making.
- Implemented dynamic data presentation and responsive UI using HTML, CSS, and JavaScript.
- Organized cricket statistics into an easy-to-understand format to support data-driven player and match analysis.

TRAINING

Community Development Project - Environment Awareness | LPU Times of India

Jun' 16 - Jul' 20

- Conducted an environmental awareness session for students as part of a community development initiative in collaboration with Lovely Professional University (LPU) and Times of India.
- Educated students about environmental conservation, sustainability, and responsible environmental practices.
- Coordinated and conducted an environmental awareness test with 250+ student participants.
- Successfully completed the initiative and received an official certificate of participation/achievement.

CERTIFICATES

Certificates Added:

- AI for Beginners (HP LIFE)
- Introduction to AI (Infosys)
- Prompt Engineering (Be10x)
- Emerging of AI (LinkedIn Learning)

EDUCATION

Lovely Professional University

Bachelor of Technology - Computer Science and Engineering; CGPA: 8.64 (pursuing)

Aug' 26 - Present

Phagwara, Punjab

Premier Academy

Intermediate | Percentage: 76.2%

Mar' 24 - May' 22

Muzaffarpur, Bihar
